Initial commit

The screenshot displays the GitHub interface for a repository named 'My-Repo' by user 'Kanisetty24'. The top navigation bar includes links for Code, Issues, Pull requests, Actions, Projects, Wiki, Security, Insights, and Settings. The left sidebar shows the file structure with 'main' branch selected, containing 'README.md' and 'sample.txt'. The main content area shows the 'sample.txt' file with 4 lines of code. A commit message 'madhuri.kanisetty-at-463423328685 New version is added' is visible at the top of the file view. The code content is as follows:

```
1 Cloning a repository is very easy in git.
2
3 Just try from your end , you will enjoy it!
```
